**Re: Eastover Solar LLC – Request for Approval of Confidential Settlement
 Agreement and Mutual Release and Confidential Treatment
 Docket Number 2018-401-E and Docket Number 2019-51-E**

Dear Ms. Boyd:

On January 24, 2019, Eastover Solar LLC ("Solar Developer") filed a Motion to Maintain Status Quo (the "Motion") and a Request for Modification (the "Request") in Docket No. 2019-51-E related to an interconnection agreement with Dominion Energy South Carolina, Inc. ("DESC"). The parties amicably resolved the issues pertaining to the Motion and submitted a Joint Motion to Withdraw Motion to Maintain Status Quo on September 27, 2019. The Commission approved the same on October 9, 2019.

Although the Motion was withdrawn, the parties agreed that the Request would remain pending before the Commission in the event that the parties were unable to fully resolve the corresponding issues in the Request upon withdrawal of the Motion. Now, the parties have amicably resolved all issues in the Request, and hereby file for Commission approval the enclosed Settlement Agreement (the "Settlement") resolving all issues in this docket. As such, the parties now seek approval of the Settlement—with such approval to be made effective as of August 12, 2020, the effective date of the Settlement—and closure of Docket No. 2018-401-E and 2019-51-E given that these dockets were consolidated for the consideration of certain common issues. As such, this filing is being submitted in both dockets out of an abundance of caution.¹

However, due to the commercially sensitive and proprietary nature of the Settlement, as well as the highly competitive nature of the industry in which Solar Developer and DESC

¹ Docket No. 2019-130-E was also consolidated into Docket No. 2018-401-E. The parties understand that Ecoplexus Inc., the Complainant in that docket, does not object to closure of these dockets, although the Ecoplexus Docket is not settled, remains open, and is not affected by the closure of Docket No. 2018-401-E or Docket No. 2019-51-E.

operate, DESC and Solar Developer have agreed to keep the terms of the Settlement confidential. In accordance with the terms of the Settlement, DESC and Solar Developer respectfully request that the Commission find that the Settlement contains protected information and issue a protective order barring the disclosure of the Settlement under the Freedom of Information Act, S.C. Code Ann. §§ 30-4-10 et seq., S.C. Code Ann. Regs. 103-804(S)(1), or any other provision of law. Pursuant to S.C. Code Ann. Regs. 103-804(S)(2), the determination of whether a document may be exempt from disclosure is within the Commission's discretion.

To this end, and in accordance with Commission Order No. 2005-226, dated May 6, 2005, in Docket No. 2005-83-A (as amended by Order No. 2020-490), we enclose with this letter a redacted version of the Settlement that protects from disclosure the sensitive, proprietary, and commercially valuable information, while making available for public viewing non-protected information. We also enclose a copy of the unredacted Settlement in a separate, sealed envelope and respectfully request that, in the event that anyone should seek disclosure of this unredacted version, the Commission notify DESC of such request and provide it with an opportunity to obtain an order from this Commission or a court of competent jurisdiction protecting the Settlement from disclosure.

Enclosed are the following:

1. A true and correct copy of the original Settlement in a sealed envelope marked "CONFIDENTIAL." Each page of the Settlement is also marked "CONFIDENTIAL." Additionally, DESC has clearly and specifically marked every piece of confidential information in the Settlement, in accordance with Order No. 2020-490.
2. Ten (10) copies of a redacted copy of the Settlement for filing and public disclosure.

By copy of this letter, we are providing the South Carolina Office of Regulatory Staff ("ORS") with a redacted copy of the Settlement for its records. Additionally, DESC will make the original, unredacted copy of the Settlement available to ORS for its review.

In conclusion, DESC and Solar Developer respectfully request that the Commission approve the Settlement with an effective date of August 12, 2020, and administratively close the above-referenced dockets. Thank you for your assistance and consideration of this matter. If you have any questions, please do not hesitate to contact me at your convenience.

Sincerely,

J. Ashley Cooper
